

70401 Salary Schedules, Guidelines and Authorized Deductions

The Board shall adopt salary schedules and guidelines for all classified employees. Salary schedules and guidelines shall be subject to annual review and adjustments as deemed necessary by the Board.

Deductions required by law will be made from all salary payments to classified employees. Other payroll deductions necessary to implement the provisions of these policies or otherwise approved by the Board may be made. Regular classified employees may request payroll deductions but they shall indemnify and save harmless the College in the event of any claims that the deductions and/or remissions were improper.
