

90111 President's Responsibilities and Authorizations

The President shall establish and maintain procedures and regulations which will govern the use of College property within the limitations and conditions set forth by state laws, Board policies, or provisions of any deed/lease pursuant to which the College has taken title or lease of such property.

The President shall ensure that the safety and security of College property are in compliance with federal, state, and city laws and applicable Board policies.

The President shall establish procedures to regulate solicitations on College property.

The President shall establish procedures for processing requests for services required of the College maintenance and operations staff and/or outside contractors and vendors.

The President is authorized to develop traffic and parking rules and regulations governing the operation of motor vehicles on College facilities and to cause the enforcement of such rules and regulations.

(Amended 2/25/14)
