

90203 Schedules of Use Fees and Expense Charges

- (1) The President or the President's designee shall establish, and from time to time may modify, schedules of use fees for the use of College facilities and property by Community Users. The President or the President's designee shall establish separate use fee schedules for (A) for-profit organizations and individuals, and (B) non-profit organizations. Such use fees shall be uniformly imposed and collected for such uses.
- (2) The President or the President's designee shall also establish, and from time to time may modify, a schedule of expense charges to be collected from Community Users to reimburse the College for its out-of-pocket costs and expenses incurred as a result of uses of College facilities or property by Community Users. Such expense charges shall include but not be limited to College costs of maintaining adequate security, College costs of set up and clean-up (including costs of pay, overtime pay and employee benefits of College set-up, maintenance, grounds, and other employees, as applicable), and similar out-of-pocket expenses of the College to be incurred in connection with requested uses. Such expense charges and rates of charges shall be uniformly imposed and collected for such uses and shall not be waived.
