(1) Each governing body shall each year or biennial period conduct a public hearing on its proposed budget statement. NEBRASKA BUDGET ACT

13-509.01 Cash balance; expenditure authorized; limitation

On and after the first day of its fiscal year in 1993 and of each succeeding year or on or after the first day of its biennial period and until the adoption of the budget by a governing body in September, the governing body may expend any balance of cash on hand for the current expenses of the political subdivision governed by the governing body. Except as provided in section 13-509.02, such expenditures shall not exceed an amount equivalent to the total amount expended under the last budget in the equivalent period of the prior budget year or biennial period. Such expenditures shall be charged against the appropriations for each individual fund or purpose as provided in the budget when adopted.

13-509.02 Cash balance; expenditure limitation; exceeded; when; section, how construed

The restriction on expenditures in section 13-509.01 may be exceeded upon the express finding of the governing body of the political subdivision that expenditures beyond the amount authorized are necessary to enable the political subdivision to meet its statutory duties and responsibilities. The finding and approval of the expenditures in excess of the statutory authorization shall be adopted by the governing body of the political subdivision in open public session of the governing body. Expenditures authorized by this section shall be charged against appropriations for each individual fund or purpose as provided in the budget when adopted, and nothing in this section shall be construed to authorize expenditures by the political subdivision in excess of that authorized by any other statutory provision.

13-510 Emergency; transfer of funds; violation; penalty

Whenever during the current fiscal year or biennial period it becomes apparent to a governing body that due to unforeseen emergencies there is temporarily insufficient money in a particular fund to meet the requirements of the adopted budget of expenditures for that fund, the governing body may by a majority vote, unless otherwise provided by state law, transfer money from other funds to such fund. No expenditure during any fiscal year or biennial period shall be made in excess of the amounts indicated in the adopted budget statement, except as authorized in section 13-511, or by state law. Any officer or officers of any governing body who obligates funds contrary to the provisions of this section shall be guilty of a Class V misdemeanor.

13-511 Revision of adopted budget statement; when; supplemental funds; hearing; notice; warrants; issuance; correction.

(1) Unless otherwise provided by law, whenever during the current fiscal year or biennial period it becomes apparent to a governing body that (a) there are circumstances which could not reasonably have been anticipated at the time the budget for the current year or biennial period was adopted, (b) the budget adopted violated sections 13-518 to 13-522, such that the revenue of the current fiscal year or biennial period for any fund thereof will be insufficient, additional expenses will be necessarily incurred, or there is a need to reduce the budget requirements to comply with sections 13-518 to 13-522, or (c) the governing body has been notified by the auditor of a mathematical or accounting error or noncompliance with the Nebraska Budget Act, such governing body may propose to revise the previously adopted budget statement and shall conduct a public hearing on such proposal. The public hearing requirement shall not apply to emergency expenditures pursuant to section 81-829.51.

(2) Notice of the time and place of the hearing shall be published at least four calendar days prior to the date set for hearing in a newspaper of general circulation within the governing body's jurisdiction. For purposes of such notice, the four calendar days shall include the day of publication but not the day of hearing. Such published notice shall set forth (a) the time and place of the hearing, (b) the amount in dollars of additional or reduced money required and for what purpose, (c) a statement setting forth the nature of the unanticipated circumstances and, if the budget requirements are to be increased, the reasons why the previously adopted budget of expenditures cannot be reduced during the remainder of the current year or biennial period to meet the need for additional money in that manner, (d) a copy of the summary of the originally adopted budget previously published, and (e) a copy of the summary of the proposed revised budget.

(3) At such hearing any taxpayer may appear or file a written statement protesting any application for additional money. A written record shall be kept of all such hearings.

NEBRASKA BUDGET ACT

(4) Upon conclusion of the public hearing on the proposed revised budget and approval of the proposed revised budget by the governing body, the governing body shall file with the county clerk of the county or counties in which such governing body is located, with the learning community coordinating council for fiscal years prior to fiscal year 2017-18 for school districts that are members of learning communities, and with the auditor, a copy of the revised budget, as adopted. The governing body may then issue warrants in payment for expenditures authorized by the adopted revised budget. Such warrants shall be referred to as registered warrants and shall be repaid during the next fiscal year or biennial period from funds derived from taxes levied therefor.

(5) Within thirty calendar days after the adoption of the budget under section 13-506, a governing body may, or within thirty calendar days after notification of an error by the auditor, a governing body shall, correct an adopted budget which contains a clerical, mathematical, or accounting error which does not affect the total amount budgeted by more than one percent or increase the amount required from property taxes. No public hearing shall be required for such a correction. After correction, the governing body shall file a copy of the corrected budget with the county clerk of the county or counties in which such governing body is located and with the auditor. The governing body may then issue warrants in payment for expenditures authorized by the budget.

13-512 Budget statement; taxpayer; contest; basis; procedure

A taxpayer upon whom a tax will be imposed as a result of the action of a governing body in adopting a budget statement may contest the validity of the budget statement adopted by the governing body by filing an action in the district court of the county in which the governing body is situated. Such action shall be based either upon a violation of or a failure to comply with the provisions and requirements of the Nebraska Budget Act by the governing body. In response to such action, the governing body shall be required to show cause why the budget statement should not be ordered set aside, modified, or changed. The action shall be tried to the court without a jury and shall be given priority by the district court over other pending civil litigation, and by the appellate court on appeal, to the extent possible and feasible to expedite a decision. Such action shall be filed within thirty days after the adopted budget statement is required to be filed by the governing body with the levying board. If the district court finds that the governing body has violated or failed to comply with the requirements of the act, the court shall, in whole or in part, set aside, modify, or change the adopted budget statement or tax levy as the justice of the case may require. The district court's decision may be appealed to the Court of Appeals.

The remedy provided in this section shall not be exclusive but shall be in addition to any other remedy provided by law.

13-513 Auditor; request information

- (1) The auditor shall, on or before August 1 each year, request information from each governing body in a form prescribed by the auditor regarding (a) trade names, corporate names, or other business names under which the governing body operates and (b) agreements to which the governing body is a party under the Interlocal Cooperation Act and the Joint Public Agency Act. Each governing body shall provide such information to the auditor on or before September 20.
- (2) Information requested pursuant to this section that is not received by the auditor on or before September 20 shall be delinquent. The auditor shall notify the political subdivision by facsimile transmission, email, or first-class mail of such delinquency. Beginning on the day that such notification is sent, the auditor may assess the political subdivision a late fee of twenty dollars per day for each calendar day the requested information remains delinquent. The total late fee assessed to a political subdivision under this section shall not exceed two thousand dollars per delinquency.
- (3) The auditor shall remit to the State Treasurer for credit to the Auditor of Public Accounts Cash Fund a remedial fee sufficient to reimburse the direct costs of administering and enforcing this section, but such remedial fee shall not exceed one hundred dollars from any late fee received under this section. The auditor shall remit any late fee amount in excess of one hundred dollars received under this section to the State Treasurer to be distributed in accordance with Article VII, section 5, of the Constitution of Nebraska.
- (4) If a political subdivision fails to provide the information requested under this section on or before September 20, the auditor may, at his or her discretion, audit such political subdivision. The expense of such audit shall be paid by the political subdivision.

13-521 Governmental unit; unused restricted funds; authority to carry forward

A governmental unit may choose not to increase its total of restricted funds by the full amount allowed by law in a particular year. In such cases, the governmental unit may carry forward to future budget years the amount of unused restricted funds authority. The governmental unit shall calculate its unused restricted funds authority and submit an accounting of such amount with the budget documents for that year. Such unused restricted funds authority may then be used in later years for increases in the total of restricted funds allowed by law. (3) The commission may conduct whatever investigation is necessary and may require certifications by key individuals in the criminal justice system, in order to determine if the county is in compliance with the standards. If a county is certified by the commission as having met the standards established by the commission for felony cases, the county shall be eligible for reimbursement according to the following schedule and procedures: The county clerk of the county seeking reimbursement may submit, on a quarterly basis, a certified request to the commission, for reimbursement from funds appropriated by the Legislature, for an amount equal to one-fourth of the county's actual expenditures for indigent defense services in felony cases.

(5) If the appropriated funds are insufficient in any quarter to meet the amount needed for full payment of all county reimbursements for net expenditures that are certified for that quarter, the commission shall pay the counties their pro rata share of the remaining funds based upon the percentage of the county's certified request in comparison to the total certified requests for that quarter.

(6) For purposes of section 13-519, for any year in which a county first seeks reimbursement from funds appropriated by the Legislature or has previously qualified for reimbursement and is seeking additional reimbursement for improving its indigent criminal defense program, the last prior year's total of restricted funds shall be the last prior year's total of restricted funds plus any increased amount budgeted for indigent defense services that is required to develop a plan and meet the standards necessary to qualify for reimbursement of expenses from funds appropriated by the Legislature.

(3) On or before August 1, all political subdivisions subject to county, municipal, or municipal county levy authority under this section shall submit a preliminary request for levy allocation to the county board, city council, village board, or council that is responsible for levying such taxes. The preliminary request of the political subdivision shall be in the form of a resolution adopted by a majority vote of members present of the political subdivision's governing body. The failure of a political subdivision to make a preliminary request shall preclude such political subdivision from using procedures set forth in section 77-3444 to exceed the final levy allocation as determined in subsection (4) of this section.

(4) Each county board, city council, village board, or council shall (a) adopt a resolution by a majority vote of members present which determines a final allocation of levy authority to its political subdivisions and (b) forward a copy of such resolution to the chairperson of the governing body of each of its political subdivisions. No final levy allocation shall be changed after September 1 except by agreement between both the county board, city council, village board, or council which determined the amount of the final levy allocation and the governing body of the political subdivision whose final levy allocation is at issue.

77-3444 Authority to exceed maximum levy; procedure

(1) A political subdivision may exceed the limits provided in section 77-3442 or a final levy allocation determination as provided in section 77-3443 by an amount not to exceed a maximum levy approved by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. A vote to exceed the limits provided in section 77-3442 or a final levy allocation as provided in section 77-3443 must be approved prior to October 10 of the fiscal year which is to be the first to exceed the limits or final levy allocation. The governing body of the political subdivision may call for the submission of the issue to the voters (a) by passing a resolution calling for exceeding the limits or final levy allocation by a vote of at least two-thirds of the members of the governing body and delivering a copy of the resolution to the county clerk or election commissioner of every county which contains all or part of the political subdivision or (b) upon receipt of a petition by the county clerk or election commissioner of every county containing all or part of the political subdivision requesting an election signed by at least five percent of the registered voters residing in the political subdivision. The resolution or petition shall include the amount of levy which would be imposed in excess of the limits provided in section 77-3442 or the final levy allocation as provided in section 77-3443 and the duration of the excess levy authority. The excess levy authority shall not have a duration greater than five years. Any resolution or petition calling for a special election shall be filed with the county clerk or election commissioner no later than thirty days prior to the date of the election, and the time of publication and providing a copy of the notice of election required in section 32-802 shall be no later than twenty days prior to the election. The county clerk or election commissioner shall place the issue on the ballot at an election as called for in the resolution or petition which is at least thirty days after receipt of the resolution or petition. The election shall be held pursuant to the Election Act. For petitions filed with the county clerk or election commissioner on or after May 1, 1998, the petition shall be in the form as provided in sections 32-628 to 32-631. Any excess levy authority approved under this section shall terminate pursuant to its terms, on a vote of the governing body of the political subdivision to terminate the authority to levy more than the limits, at the end of the fourth fiscal year following the first year in which the levy exceeded the limit or the final levy allocation, or as provided in subsection (4) of this section, whichever is earliest. A governing body may pass no more than one resolution calling for an election pursuant to this section during any one calendar year. Only one election may be held in any one calendar year pursuant to a petition initiated under this section.

(2) The ballot question may include any terms and conditions set forth in the resolution or petition and shall include the following: "Shall (name of political subdivision) be allowed to levy a property tax not to exceed cents per one hundred dollars of taxable valuation in excess of the limits prescribed by law until fiscal year for the purposes of (general operations; building construction, remodeling,

If a majority of the votes cast upon the ballot question are in favor of such tax, the county board shall authorize a tax in excess of the limits in section 77-3442 or the final levy allocation in section 77-3443 but such tax shall not exceed the amount stated in the ballot question. If a majority of those voting on the ballot question are opposed to such tax, the governing body of the political subdivision shall not impose such tax.

(3) In lieu of the election procedures in subsection (1) of this section, any political subdivision subject to section 77-3443 and villages may approve a levy in excess of the limits in section 77-3442 or the final levy allocation provided in section 77-3443 for a period of one year at a meeting of the residents of the political subdivision or village, called after notice is published in a newspaper of general circulation in the political subdivision or village at least twenty days prior to the meeting. At least ten percent of the registered voters residing in the political subdivision or village shall constitute a quorum for purposes of taking action to exceed the limits or final levy allocation. A record shall be made of the registered voters residing in the political subdivision or village who are present at the meeting. The method of voting at the meeting shall protect the secrecy of the ballot. If a majority of the registered voters present at the meeting vote in favor of exceeding the limits or final levy allocation, a copy of the record of that action shall be forwarded to the county board prior to October 10 and the county board shall authorize a levy as approved by the residents for the year. If a majority of the registered voters present at the meeting vote against exceeding the limits or final allocation, the limit or allocation shall not be exceeded and the political subdivision shall have no power to call for an election under subsection (1) of this section.

(4) A political subdivision, may rescind or modify a previously approved excess levy authority prior to its expiration by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. A vote to rescind or modify must be approved prior to October 10 of the fiscal year for which it is to be effective. The governing body of the political subdivision may call for the submission of the issue to the voters (a) by passing a resolution calling for the rescission or modification by a vote of at least two-thirds of the members of the governing body and delivering a copy of the resolution to the county clerk or election commissioner of every county which contains all or part of the political subdivision or (b) upon receipt of a petition by the county clerk or election commissioner of every county containing all or part of the political subdivision requesting an election signed by at least five percent of the registered voters residing in the political subdivision.
