PREAMBLE

This Agreement is by and between **the Metropolitan Community College Area**, a body corporate and political subdivision of the State of Nebraska, and **Fraternal Order of Police, Lodge No. 76**.

This Agreement has been entered into between the Metropolitan Community College Area hereafter referred to as the "College" or the "Employer", and Fraternal Order of Police, Lodge No. 76, hereafter referred to as the "Union". This Agreement has as its purpose the promotion of harmonious relations between the College and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of wages, hours, and other terms and conditions of employment.

ARTICLE I RECOGNITION

In accordance with the Resolution adopted by the College's Board of Governors on June 27, 2011, the College recognizes the Union as the exclusive collective bargaining representative for the Police and Public Safety Unit of employees of the College, which bargaining unit of employees is defined as follows:

Regular full-time and regular part-time police and public safety officers, and supervisors, but excluding managerial, confidential and administrative employees, as defined by law, in the Police Department/Department of Public Safety of the College.

ARTICLE II NON-DISCRIMINATION

Neither the College nor the Union will interfere with, restrain or coerce any employee covered by this Agreement because of membership or non-membership in the Union, or because of activity or refusal to engage in activity on behalf of the Union. The College will not discriminate in respect to hire, tenure of employment or any term or condition of employment against any employee covered by this Agreement because of membership in or activity on behalf of the Union, nor will it discourage or attempt to discourage membership in the Union.

Neither the College nor the Union shall unlawfully discriminate on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, transgender status, marital status, age, pregnancy, citizenship, disability, military service or protected veteran status against any applicant or employee.

ARTICLE III UNION RIGHTS

The Union may designate employee(s) within the bargaining unit to serve as a Union Steward. Duties and responsibilities related to being a Steward are the responsibility of the Union.

The Union shall furnish the College's Chief of Police, or his/her designee, and the College's Director of Labor Relations/General Counsel, or his/her designee, a list of Stewards and/or Union representatives and alternates, and shall, as soon as possible, notify said officials in writing of any changes thereto.

There shall be no deduction from the pay of a Steward when directly involved in meetings with management relating to the administration of this Agreement during the Steward's regular working hours. A Steward shall not be entitled to pay when working on such matters outside his/her regular working hours.

Designated Union representatives shall be permitted to visit employees on job sites and at department buildings during working hours, but not during the employees' working time, for the purpose of the administration of this contract, so long as the Union representative does not interfere with the timely and proper completion of the employees' job duties.

The Steward or Union representative will be allowed to accompany an employee to meet with the College during regular working hours for the purpose of grievance review and dispute resolution involving employees, under the following conditions:

Notice must be given to the immediate supervisor at least three (3) hours in advance, when possible, that a Steward or Union representative will be accompanying an employee to meet with the College during regular working hours for the purpose of grievance review and contractual dispute resolution involving employees, under the following conditions:

1. That the Steward has officially been designated as such by the Union.
2. Only the designated Steward shall be excused for participation in grievance and/or dispute resolution meetings.

Union's Use of Bulletin Board and College Mailboxes

The Union may use the College mailboxes, bulletin board spaces and electronic communication media designated by the College President subject to the following conditions:

1. All postings shall be on approved bulletin boards and shall conform to all College policies now or hereafter adopted which govern the general use thereof, shall be identified as a publication of the Union and be signed by the President or other authorized officer of the Union with his/her verification that it is an authorized statement, release or publication of the Union.

2. The Union will not post or distribute information which is derogatory or defamatory of the College, its curriculum, any member of its student body or any of its personnel.

3. No College bulletin board space, electronic communication or other facility may be used at any time to communicate any endorsement of, support of, or opposition to any ballot issue or candidate for public elective office.

In the event of a breach of the foregoing conditions of this paragraph, the privileges herein given are subject to immediate suspension by the College President for a period of time not to exceed one College academic quarter. The College's Board of Governors may revoke the privileges herein provided in the event of recurring infractions.

The Union may use College facilities for meetings of College employees upon approval by the President, the Director of Labor Relations/General Counsel or his/her designee.

ARTICLE IV MANAGEMENT RIGHTS

The management of the College, the establishment of policies and the direction of the working forces shall be vested solely and exclusively in the College, except as specifically limited by the express written provisions of this Agreement. This provision shall include, but is not limited to, the right to determine the quality and quantity of work performed; to determine the number of employees to be employed; to assign and delegate work; to require observance of College rules, regulations, and other policies; to schedule work; to enter into contracts for the furnishing and purchasing of supplies and services; and to decide qualifications of employees consistent with applicable Federal and State laws. Managers will be allowed to perform bargaining unit work, so long as bargaining unit employees are not laid off.

The management of the day-to-day College Public Safety/Police services, facilities and personnel, and the direction thereof, including, but not limited to, the right to: (a) hire, assign, evaluate, suspend, lay-off, transfer, promote and demote, discipline or discharge employees; (b) make rules of work, procedure and conduct; (c) maintain order, safety and efficiency; (d) determine the size of the Public Safety/Police Department staff and supervisory staff; (e) establish and define job classifications; (f) establish, change, reorganize or eliminate departments; (g) determine the policies affecting selection of employees; (h) determine and enforce standards of professional quality in performance of job duties; (i) allocate work; (j) determine and assign work schedules and shifts; (k) introduce new and improved methods for the management of College's properties; (l) determine the content and extent of Officer performance appraisal and development programs; and, (m) direct, plan, develop, manage, integrate, coordinate and control all aspects of Public Safety/Police Department services will all be vested exclusively in the College.

All promulgated rules, regulations and procedures of the College, to include the Police Officers' Bill of Rights set forth in Article V-A, now in force or which may hereafter be

adopted by the College, will be observed by all employees covered by this Agreement. The College will not adopt or enforce any rule or regulation against employees covered by this Agreement which is in direct conflict with this Agreement.

It is agreed that the above enumeration of management prerogatives will not be deemed to exclude any others. The College will have and retain all powers and authority not specifically abridged, delegated or limited by this Agreement.

The Chief of Police has the prerogative of appointing Public Safety Officers/Supervisors and Police Officers/Sergeants from within the existing ranks of the Public Safety/Police Department, only when current qualified staff exists. The Chief of Police also retains the prerogative to remove any Police Officer, Police Sergeant and/or Public Safety Supervisor from his/her position and demote the employee to the next lower job classification, with seniority based upon management recommendation.

ARTICLE V GRIEVANCE PROCEDURE

Any complaint, disagreement, or difference of opinion between the College and the Union (or any employee covered by this Agreement) concerning the application or interpretation of the terms of this Agreement, Board Policies, or Procedure Memorandums may be the subject of a grievance under this grievance procedure. A complaint, disagreement or difference of opinion concerning any matter not specifically provided for by the terms of this Agreement, Board Policies, or Procedure Memorandums shall not be subject to this grievance procedure.

Any issue that may otherwise be subject to the grievance procedure of the Agreement, but is also covered by Procedure Memorandum VI-34 ("Equal Employment Opportunity"), shall be addressed through the procedures set forth under Procedure Memorandum VI-34, and shall not be grieved under this Agreement.

A grievance may be presented by any Employee covered by this Agreement or by the Union. Any grievance shall be forfeited and waived by the aggrieved party if not first presented in accordance with the terms of this Article within twenty (20) calendar days following the occurrence(s) giving rise to the grievance.

A. STEPS IN THE GRIEVANCE PROCEDURE

1. STEP ONE (Informal Discussion with Immediate Supervisor): The grievant shall first discuss the grievance orally and in person or by telephone with the grievant's immediate supervisor. This shall be a personal discussion between the grievant and the grievant's immediate supervisor. If the Union is initiating the grievance, the discussion shall be between the Union's Business Representative and the College's Director of Labor Relations/General Counsel.

2. STEP TWO (Written Grievance to College's Director of Labor Relations/General Counsel): If the matter is not satisfactorily resolved within the ten calendar days

after the discussion at STEP ONE, the grievant may present the grievance in writing to the College Director of Labor Relations/General Counsel. The grievant must file the written grievance in the office of the College's Director of Labor Relations/General Counsel within ten (10) calendar days after the decision at STEP ONE or, if there was no timely decision at STEP ONE, within ten (10) calendar days after the expiration of the time allowed for decision at STEP ONE. The written appeal to the Director of Labor Relations/General Counsel shall include and recite:

- a. A clear and concise statement of the grievance, including the circumstances and persons involved,
- b. The date of the discussion at STEP ONE,
- c. A summary of the decision rendered at STEP ONE,
- d. A reference to the specific provision(s) of this Agreement, Board Policy, or Procedure Memorandum allegedly violated or involved, and
- e. The specific remedy sought by the grievant.

Except as provided in subparagraph B.2.d. of this grievance procedure, no appeal shall be denied or disallowed because one or more of the statements, documents or items listed above are missing from the filed written grievance.

The written grievance may be signed by the Union but must also be signed by each employee seeking a remedy by the grievance.

The College's Director of Labor Relations/General Counsel may hold such conferences, meetings or hearings, and/or discuss the matter with such persons or witnesses, as he or she believes may be helpful in understanding or resolving the grievance. Except as provided in subparagraph B.2. or B.6. of this grievance procedure, the College's Director of Labor Relations/General Counsel shall render a written decision on the grievance within twenty-one (21) calendar days after receiving the written appeal.

3. STEP THREE (Written Appeal to College President): If the grievance is not satisfactorily resolved within the time allowed for decision at STEP TWO, the grievant may appeal the decision of the College's Director of Labor Relations/General Counsel to the College President. The grievant must file the written appeal in the office of the College President within ten (10) calendar days after the written decision at STEP TWO or, if there was no timely written decision at STEP TWO, within ten (10) calendar days after the expiration of the time allowed for decision at STEP TWO. The written appeal to the College President shall include and recite:

- a. A clear and concise statement of the grievance, including the circumstances and persons involved,
- b. The date of the discussion at STEP ONE,
- c. A summary of the decision rendered at STEP ONE,
- d. A copy of the written grievance filed at STEP TWO,
- e. A copy of the decision at STEP TWO (if there was one),

- f. A reference to the specific provision(s) of this Agreement, Board Policy, or Procedure Memorandum allegedly violated, and
- g. The specific remedy sought by the grievant.

Except as provided in subparagraph B.2.d. of this grievance procedure, no appeal shall be denied or disallowed because one or more of the statements, documents or items listed above are missing from the filed written appeal. The written appeal may be signed by the Union but must also be signed by each employee seeking a remedy by the grievance.

The President may hold such conferences, meetings or hearings, and/or discuss the matter with such persons or witnesses, as he or she believes may be helpful in understanding or resolving the grievance. Except as provided in subparagraph B.2. or B.6. of this grievance procedure, the President shall render a written decision on the grievance within fourteen (14) calendar days after receiving the written grievance. The decision of the College President shall be final under this Grievance Procedure.

- 4. If the grievance is not resolved to the satisfaction of the grievant after the grievant has exhausted the foregoing STEPS ONE through THREE, the grievant may pursue such legal action as the grievant may deem appropriate in any court or agency having jurisdiction over the matter.

B. MISCELLANEOUS

1. Representation. At STEPS TWO and THREE of this grievance procedure, any grievant may be represented by himself/herself or, at his/her option, by one attorney or one other representative of his/her own choosing. Any such representation shall be at grievant's own expense. When the chosen representative is the Union, the Union shall receive copies of all decisions and notices affecting the case. When the chosen representative is an attorney-at-law, the grievant may also have a Union representative or one other non-legal representative present at any STEP at which the College's representation will number two or more. If not otherwise present and chosen by the employee to represent the employee, the Union shall nevertheless have the right to have its representative present at all meetings and conferences at STEP THREE to represent or co-represent a grievant-employee.

2. Time Limitations. The following rules shall govern as to time limitations:

a. Extensions of Time. The time limitations specified for either the grievant or the College may be extended by written mutual agreement. Such extension of time on the part of the College must be approved by the Director of Labor Relations/General Counsel, or his or her designee, for STEPS ONE through THREE.

b. Effect of Failure to Grieve or to Appeal within Time Specified. Failure to raise a grievance within the time prescribed shall be considered a waiver of the grievance. If a decision at any STEP is not appealed to the next STEP of the procedure within the time limit specified, the grievance shall be determined settled on the basis of the last decision rendered.

c. Effect of Failure to Respond within Time Limit. Failure at any STEP of the grievance procedure to initiate communication of a decision to the grievant within the specified time limit shall permit the lodging of an appeal to the next STEP of the procedure within the time which would have been allotted had the decision been communicated on the final day specified therefore.

d. Documents, Statements or Items Missing from Grievance or Appeal. At STEPS TWO and THREE, if any document, statement or item specifically required by this grievance procedure to be included in, provided with or filed with the grievance or appeal is not so included, provided or filed, the College official who is to act on the grievance or appeal may by electronic mail or oral communication request the grievant to provide the missing document, statement or item to the official. If the grievant fails to provide the document, statement or item to the official within four (4) working days after such request and does not communicate to the official an adequate reason excusing such failure within such four-day period, the official may deny the grievance or appeal. If the grievant does provide the document, statement or item to the official within such four-day period, the time allowed for the official to issue his or her decision on the grievance or appeal shall be extended by four (4) working days.

3. Avoiding Interruptions. This procedure shall not be construed to permit interruptions of classroom or other College activities or to authorize the involvement of students at any STEP of the procedure. In circumstances where the only witness(es) available to prove or disprove the existence of a fact is a student(s), then in such a case the student(s) may be a witness.

4. Informal Discussion. Nothing contained herein shall be construed as limiting the right of the grievant at any time or at any level to discuss the matter informally with the appropriate supervisor/administrator of the College and have the grievance informally adjusted.

5. Hearings and Conferences Closed. All conferences, meetings and hearings under this procedure shall be conducted in closed sessions and shall include only the person conducting the conference, meeting or hearing, the grievant, the grievant's designated representative(s), personnel of the College who are involved, witnesses, and the College's representative(s).

6. Time Extended by Reason of Hospitalization. If, on the date that a grievance must be lodged, an appeal taken or the response or decision of an administrator (including an immediate supervisor) must be made, the person required hereunder to act is hospitalized, then the prescribed time for taking such action shall not be

deemed to have commenced to run until the day following the last day of his/her hospitalization.

7. Administrative Designees. During such times as any administrator (including an immediate supervisor) is unable or unwilling to perform his or her duties under this grievance procedure, the College may designate someone of equivalent or higher managerial level in his/her place and stead to do all things required to be performed by him/her under this grievance procedure.

8. Costs. The grievant shall pay his/her/its own costs and attorneys' fees or other representation fees and the College shall have no liability in respect thereto. Similarly, the College shall pay its own costs and attorneys' fees or other representation fees and the grievant shall have no liability in respect thereto.

ARTICLE V-A MCC POLICE OFFICERS' BILL OF RIGHTS

All **sworn employees** within the bargaining unit shall be entitled to the protection of this "Police Officers' Bill of Rights" in connection with any investigation in which criminal conduct by the employee is known or suspected.

- A. The Police Department and its employees will not solicit any formal citizen complaint against an officer. Solicitation shall not be construed to mean any follow-up of a citizen's complaint. This shall not apply to College employees who are not part of the Police Department who are involved in the investigation of a complaint from the public of employee misconduct.
- B. An employee shall not be subjected to any offensive language, nor be threatened with dismissal, transfer or other disciplinary punishment as a guise to attempt to obtain the employee's resignation, nor shall the employee be intimidated in any other manner. No promises or rewards shall be made to the employee as any inducement to answer questions.
- C. Prior to questioning or interrogation regarding an internal matter, questions relating to performance of your official duties or fitness for duty you will receive the following warning: "You are being interviewed in connection with a citizen complaint or internal investigation. You are ordered to answer all questions posed to you by the interviewer(s). If you refuse to testify or to answer questions relating to performance of your official duties or fitness for duty you will be subjected to departmental charges which could result in disciplinary action, up to and including your dismissal from the department. Your responses will assist in determining whether disciplinary action is warranted. The answers furnished may be used in disciplinary proceedings that can result in administrative action against the employee."

- D. All employees are entitled to all rights and privileges guaranteed by the laws and Constitution of the United States, including the right not to be compelled to incriminate themselves.
- E. The interview shall be conducted at a reasonable hour, and if conducted during off-duty time, the accused employee shall be compensated in accordance with overtime procedures.
- F. The accused employee shall be informed prior to the interview of the name and rank of the person in charge of the interview, the interviewing Officers, and all other persons to be present during the interview. Questions directed to the employee during the interview shall be asked by only one interviewer at a time.
- G. The interview session shall be for a reasonable period, taking into consideration the gravity and complexity of the issue being investigated. The accused employee shall be allowed to attend to his/her own personal physical necessities, telephone calls, and rest periods, during one ten (10) minute intermission every hour.
- H. Unless agreed to by the accused employee, the College shall not divulge the reason for any disciplinary action that is not appealed beyond the Department. The College shall make every reasonable effort to ensure that no employee's home address, home telephone number or photograph is released to the news media or to the public. Nothing in this section shall affect the rights of the public or news media to information obtainable from the College pursuant to Nebraska open meetings or public records laws.
- I. The above shall not be construed to restrict management rights to speak with or question employees on verbal, formal or informal complaints, or citizen's complaints when criminal conduct by the employee is not known or suspected. Nor shall it restrict internal investigations brought about by shift supervisors or other departmental or College management or administration. However, should investigation uncover facts that may lead to investigation of suspected criminal misconduct by the employee the procedure set forth shall be followed.

ARTICLE VI DUES – CHECK OFF

Section 1. The Employer shall deduct Union dues from the pay of each employee covered by this Agreement; provided, that at the time of such deduction there is in the possession of the Employer a current and unrevoked written assignment, executed by the employee, in the form and according to the terms of the authorization form attached hereto, marked Appendix A, and made a part hereof. Such authorization may be revoked, in the manner set forth in Section 3 of this Article, by the employee at any time by giving written notice thereof to the Employer. The Employer shall deduct such dues from the pay of employees who have executed such assignments and remit such withholdings to the Union on a semi-monthly basis. Such withholdings shall be remitted to the duly designated Union official by the Employer within ten (10) calendar days following the

issuance of pay warrants/direct deposits for the pay period respecting which the Employer, at its option, elects to deduct such withholdings in accordance with the foregoing. The Union shall advise the Employer in writing of the name and address of the designated Union official to whom the Employer should remit amounts so withheld.

Section 2. Previously executed and unrevoked written check off authorizations shall continue to be effective respecting employees reinstated or returning to work following layoffs, leaves of absence, and suspension not exceeding six (6) months. Previous authorizations of other employees rehired or reinstated shall not be considered to be effective. If an employee is on any form of paid leave of absence, the Employer shall continue to withhold Union dues during such absence unless the assignment respecting the same has been or is revoked in the manner provided in Section 3 of this Article.

Section 3. Written revocations of check off authorizations shall not be effective unless received by the Employer's Payroll Department at least two (2) weeks prior to the first pay date upon which such revocation is to take effect.

Section 4. At the time of execution of this Agreement, the Union shall advise the Employer in writing of the exact amount of regular monthly Union dues. If, subsequently, the Union requests the Employer to deduct additional monthly Union dues, such request shall be effective only upon written assurance by the Union to the employer that the amounts requested are regular monthly Union dues duly approved in accordance with the Union's constitution and by-laws.

Section 5. The Employer agrees to provide this service without charge to the Union.

Section 6. The Employer shall not be liable for the remittance or payment of any sums other than those constituting actual deductions made. If for any reason the Employer fails to make a deduction for any employee as above provided, it shall make such deduction from the employee's next pay period in which Union dues are normally deducted, but only if written notification by the Union has been given to the Employer in time to permit such deduction. If the Employer makes an overpayment to the Union, the Union will refund said amount to the employee. If the Employer inadvertently makes a dues deduction from the pay of an employee who has not authorized said deduction or who has revoked said authorization in accordance with Section 3 of this Article, the Union agrees to refund said deduction to the affected employee or the Employer, on demand. The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, judgments, losses or liabilities arising as a result of any action taken or not taken by the Employer under the provisions of this article.

ARTICLE VII NEW EMPLOYEES

The Employer will notify the Union Steward of new bargaining unit employees.

ARTICLE VIII COLLEGE POLICIES AND PROCEDURES

The College's policies and procedures not in conflict with this Agreement, now in force or hereafter adopted, shall be observed by all employees. The Union and the Employees are responsible for remaining aware of all changes to College policies and procedures. The College will post all policies and procedures at the following web address or a successor site:

<http://www.mccneb.edu/bogpolicies/>
<http://www.mccneb.edu/procedures/default.htm>.

If the College makes a change to a policy or procedure that is applicable to the Police and Public Safety bargaining unit of employees and the change to the policy or procedure represents an alteration to a term and condition of employment, then the Union shall have sixty (60) calendar days to request bargaining and reopen negotiations with regard to that term and condition of employment only. The failure of the Union to request bargaining and reopen negotiations within sixty (60) calendar days shall constitute a waiver of the Union to bargain the subject until the conclusion of this contractual term.

ARTICLE IX JURY PAY/ELECTION DUTY PAY

The Employer agrees to give full pay to an employee called for jury/election duty, providing the employee turns over his/her jury/election duty pay to the Employer. On days that they are not actually serving on jury/election duty, or when released from jury/election duty early, employees are expected to report for their regular work shift and return to the job if the College work day is not completed.

ARTICLE X ANNUAL LEAVE FOR REGULAR FULL-TIME EMPLOYEES

Regular full-time employees will accrue annual leave at the rates given in the tables below. All Leave must be submitted by the employee, via KRONOS, and approved by the supervisor.

<u>Months of Service</u>	<u>Hours Per Month</u>	<u>Days Per Year</u>
0-36 Months	8	12
37-60 Months	10	15
61-120 Months	12	18
121 or more	14	21

Employees will be paid for their accrued, unused annual leave upon separation from employment with the College.

The maximum amount of annual leave that bargaining unit employees may accumulate will be 280 hours. Once an employee accumulates 280 hours he or she will not accrue any additional annual leave until their balance drops below 280 hours.

ARTICLE XI HOURS OF WORK FOR REGULAR FULL-TIME EMPLOYEES

The Chief of Police or his or her designee, hereafter referred to as “Management”, may make temporary or permanent changes to shifts as set forth below. Management shall set the hours of work and days of work in a manner that serves the College’s needs.

Hours of Work for Special Assignments

The Chief of Police shall have the exclusive rights to assign personnel and establish hours for special assignments of Instructor (Firearms, Survival Tactics, Taser, TacMed, etc.), Field Training Officer, Investigator, Property/Evidence Technician, and other special assignments as needed.

Temporary Changes to Hours:

Management may make temporary changes to any non-vacant shift location and/or shift working hours/days. Management shall give the affected employee(s) five (5) calendar days’ notice prior to any temporary shift change under this Article. In emergency situations where the need for the temporary change was not reasonably foreseeable, employees may be called into work pursuant to the call-in provisions of this Article without five (5) calendar days’ notice.

For purposes of this Article, a “temporary change” shall mean any change of thirty (30) consecutive Calendar days or less.

Permanent Changes to Shift and/or Location Assignment:

Management may make permanent changes to the shift location and/or the shift’s normal working hours/day(s) for any vacant position, prior to bidding the open shift in accordance with Article XI-A of this Agreement. Management will notify the Union of any such changes.

If Management makes a permanent change to the shift location, the shift beginning time, or the shift ending time of any non-vacant shift, Management shall re-bid all shifts within that classification, allowing all employees within that classification covered by this Agreement to bid for all existing shifts in accordance with Article XI-A of this Agreement. Any such bidding shall be accomplished by asking each employee to list his/her first choice of shift, second choice of shift, etc.

For purposes of this Article, a “permanent change” shall mean any change of more than thirty (30) consecutive Calendar days.

Voluntary Shift Exchanges:

With the prior approval of Management, members of this bargaining unit may temporarily (until the next scheduled shift bid) exchange shifts within classification upon the agreement of all directly affected employees. Any such agreement must be in writing signed by the affected employees and filed with Management.

Overtime:

Non-sworn employees shall be paid at one and one-half times their hourly rate of pay for hours worked in excess of forty (40) per week. The following will be included as hours worked for calculation of overtime: annual leave, holidays, actual time spent appearing in court, jury duty/election duty and bereavement leave. Sick leave is excluded from the calculation of overtime.

Sworn employees shall be paid at one and one-half times their hourly rate of pay for hours worked in excess of 80 in an established two (2) week work period. The following will be included as hours worked for calculation of overtime: annual leave, holidays, actual time spent in court, jury duty/election duty and bereavement leave. Sick leave is excluded from the calculation of overtime.

Authorization of Overtime:

All overtime must be authorized and approved in advance by the employee’s supervisor. Opportunities to work overtime shall be distributed as equally as possible among employees within the same classification having similar abilities and expertise. There shall be no pyramiding of overtime pay.

Court Appearances:

Bargaining unit members who are subpoenaed or directed into court on matters involving work related activities, during off-duty hours, shall be compensated at their regular rate of pay for a minimum of four (4) hours. Only time that is actually spent appearing in court will be counted towards overtime.

College Holidays:

A non-exempt employee required to work on an approved College holiday shall receive holiday pay at the rate of two (2) times the employee’s base hourly pay rate for a minimum of two (2) hours or for the actual hours worked if more than two (2) hours on the holiday (prorated for part-time regular employees). This extra pay for working on a holiday is earned regardless of whether the employee works in excess of forty (40) hours during the holiday week. At the option of the College, this holiday pay rate will be provided in either pay or compensatory time-off.

Management will determine staffing levels on approved College holidays at all College locations therefore. If an employee is administratively scheduled off¹, or requests an approved College holiday shift off, such employee shall receive compensation for the holiday at his or her regular rate of pay for the actual number of hours that said employee was scheduled to work on the holiday.

Alternate Holiday: When a College-approved holiday falls on an employee's normal "weekend" or "days off" (based on the employee's regular schedule), the employee should be assigned an alternate holiday as close as possible to the College-approved holiday, preferably within the same pay period.

ARTICLE XI-A SENIORITY, BID PROCEDURES, AND NEW HIRE PROBATIONARY PERIOD FOR REGULAR FULL-TIME EMPLOYEES

Section 1. Seniority

COLLEGE SENIORITY – Total months of the individual's current continuous uninterrupted employment with the College.

CLASSIFICATION SENIORITY – The current continuous months of uninterrupted service in the individual's job classification. No department specific sub-classification of any recognized classification will be used to discriminate or retard the accrual of seniority.

A Department seniority list will be maintained in each of the Supervisors' offices and shall be made available to employees to view at any reasonable time, upon request. The list shall be updated semiannually and contain each employees' name, College Seniority date and Classification Seniority date. A copy of the seniority list shall be furnished to a bargaining unit representative upon completion.

If two or more employees have the same Classification Seniority date, the tie shall be broken by the College Seniority date.

If two or more employees have the same Classification and College Seniority dates, the employees' placement on the hire list, as determined by the Chief of Police, shall break the tie.

¹ "Administratively Scheduled Off" means that management has removed an employee from the schedule for a shift that he or she is normally scheduled to work. This does not include removal from the schedule during periods of suspension or for disciplinary reasons.

Section 2. Bid Procedures

- A. When Management determines that a full-time opening exists within the department, Management will notify all bargaining unit employees who are eligible to bid on the position of the opening via College electronic mail. Employees who are interested in the opening shall reply to Management's notification via College electronic mail within 96 hours of the time and date of the notification.
