

# MCC RESEARCH DATABASES

---

Metropolitan Community College's Library subscribes to 30+ databases containing eBooks, streaming videos, and full-text articles from magazines, newspapers, and academic journals. These databases cover a wide range of topics: current political and social issues, business, careers, computer science, criminal justice, law, education, health and medicine, horticulture, management, psychology, science, sociology, vocational/technical trades, and more. ***To access a research database from home, you must be a current MCC student, faculty, or staff member and you must know your MCC username & password.***

1. Go to the Library's webpage: [www.mccneb.edu/library](http://www.mccneb.edu/library)
2. Click on the tab labeled **Databases**
3. Use the **Title** menu to select a database
4. Enter your **username** and **password**:
  - Enter the same username/password you use to access Canvas, MyWay, or to sign on to a MCC computer or the MCC network.
  - Enter **only** your username not your complete email address.  
*Example: jsmith NOT jsmith@mail.mccneb.edu*
  - If you do not know your username/password, go to **Password Reset**:  
[www.mccneb.edu/password](http://www.mccneb.edu/password)
5. Click on **Login**

***For more assistance with the databases or other library resources, please contact a campus library:***
