

METROPOLITAN  
Community College

**turn your associate's degree  
into a bachelor's degree**

**Earn a B.S. in Technology from Wayne State College while taking classes at Metropolitan Community College in Omaha.**

- We offer two classes per semester, each meeting once a week. Classes will meet on Tuesdays & Thursdays for three hours in the evening for the 2020 Fall Semester. Classes will continue online if we are still practicing social distancing due to COVID-19. When we are safe to return to face-to-face instruction, classes will be held on MCC Fort Omaha Campus.
- With all of the recent changes due to the pandemic, WSC is exploring options to add more online courses. We will continue to share updates as they become available.
- Students that have completed most AAS degrees from MCC qualify to transfer 120 quarter hours to WSC leaving only 40 hours to be completed.
- Check out our Video
- Give me a call or send me an email and we can discuss how your credits will transfer!
