

Transfer Guide – Dentistry

MCC → UNMC

The Dentistry program must complete 90 semester hours prior to matriculation, however most students will have earned their bachelor's degree prior to applying to the College of Dentistry. Students can earn a bachelor's degree in any area of interest (i.e. biology, business, music, nursing, nutritional science). Listed below are Metropolitan Community College courses that satisfy the University of Nebraska Center's (UNMC) Dentistry admission requirements. UNMC publishes requirements for admission, general education, and major concentration areas. **Students should consult with their MCC Advisor and an UNMC advisor often.**

For admission requirements to UNMC contact the College of Dentistry – Enrollment Manager at 402-472-1363 or visit www.unmc.edu/dentistry.

UNMC suggests additional MCC courses in these subjects. However, the student should choose courses that transfer to the four-year institution in which he/she plans to earn a bachelor's degree.	Anthropology (SOCl)		Mathematics (MATH)	
	Business Law (BSAD)		Microbiology (BIOS)	
	English Literature (ENGL)		Political Science (POLs)	
	Economics (ECON)		Psychology (PSYC)	
	Genetics (BIOS)		Sociology (SOCl)	

Every effort has been made to provide accurate information on suggested courses, however it is the student's responsibility to consult with the institution they are planning to transfer to ensure courses fit into their intended plan of study. For additional information on course by course equivalencies please contact the MCC Transfer Center.
